

AFFILIATION CHARTER

This affiliation charter has been prepared to mark the Association between, Waiakea High School, U.S. and Hachijo High School, Japan

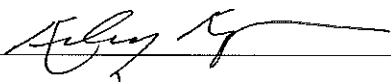

- ∞ We will undertake and respond to the educational, cultural, and social needs of the staff and students of both institutions in a spirit of cooperation, friendship and enterprise by using the affiliation to foster peace and tolerance between the students and staff of both institutions and nations.
- ∞ All students will be assured of a framework of care, support, counseling, and teaching at the highest professional levels.
- ∞ Exchanges of students within the affiliation can be short term or longer.
- ∞ In the case of the short term exchanges, they will be collaboratively developed and will be approved solely by the administrations of both institutions. Students applying for longer term exchanges must meet the entry requirements for international students established by the host institution.
- ∞ Both institutions agree to develop a continuing communication program involving staff and students through correspondence and visits for the mutual benefit of the two institutions in order to promote a greater understanding of the cultures, social customs and societies of both countries.

In addition, both institutions understand that:

1. Any associated financial agreements will be negotiated separately and will depend on the availability of funds at each institution. Moreover, nothing in this agreement shall be construed as creating any legal or financial obligations between the parties.
 2. Any aspect of this agreement may be amended or revised after further consultation and mutual agreement.
 3. This Affiliation Agreement is to be established on the day of signing this document and to be effective for three years. Unless both schools refer to the cancellation of the affiliation, the contract is to be extended each year during the following three years. If either one of the schools proposes a termination of the agreement by 90 days prior to the last day of either school's school year, the affiliation is to be discontinued on the last day of either school's school year.
- ∞ This Affiliation Agreement is written in English and in Japanese. Both versions have equal validity.
 - ∞ We, the undersigned, affix our names in good faith in a spirit of peace, fellowship and goodwill.
